If it does not give relief, the money will be refunded. All that is asked is a trial, and use it according to the Directions. It is an English remedy, and was used by William the Fourth, late King of England, and certified to by him as a cure for the Rheumatism, when everything else had failed. Over 10,000,000 of Bottles have been sold in the United States, without a single failure, and many have stated, they would not be without it, if it was \$10 per bottle in case of Croup, as it is as certain as it is applied. It cures Cholera when first taken, in an hour; Dysenterry in half an hour; Toothache in five minutes. It is perfectly innocent to take internally, and recommended by the most eminent Physicians in the United States. Price

STABLER'S DIARRHŒA CORDIAL Is a pleasant Mixture, compounded in agreement with the rules of Pharmacy, of therapeutic agents, long known and celebrated for their peculiar efficacy in curing DIARRHŒA, and similar affections of the system. In its action, it ALLAYS NAUSEA and produces a healthy con dition of the LIVER, thus removing the cause at the same time that it cures the disease.

The valuable Medicines above named have recently been introduced, with the approval of a number of the MEDICAL PROFESSION in the City of Baltimore and elsewhere, and in practice have succeeded most admirably in curing the diseases for which they are prescribed. They are offered to the Country Practitioner, as Medicines which he can in all respects depend upon, as prepared in agreement with the experience of some of the most learned and judicious Physicians, and strictly in conformity with the rules of Pharmacy, and as especially serving his convenience, who cannot so readily as the City Physician, have his own prescriptions compound-

CURE OF A DISORDERED LIVER AND BAD DIGESTION

Street, Liverpool, dated 6th June, 1851. To Professor Holloway, Sir,-Your Pills and Ointment have stood the highest on ur sale list of Proprietary Medicines for some years. A curmer, to whom I can refer for any enquiries, desires me to you know the particulars of her case. She had been troubled for years with a disordered liver, and bad digestion. On the last occasion, however, the virulence of the attack was so alarming, and the inflammation set in so severely, that doubts were entertained of her not being able to bear up under it; fortunately she was induced to try your Pills, and she informs me that after the first, and each succeeding dose, she had great relief. She continued to take them, and although she used only three Boxes, she is now in the enjoyment of perfect health. I could have sent you many more cases, but the above, from the severity of the attack, and the speedy cure I

think, speaks much in lavor of your astonishing (Signed) AN EXTRAORDINARY CURE OF RHEUMATIC FEVER, IN VAN DIEMEN'S LAND. of a Letter inserted in the Hobart Town Courier, of the 1st March, 1851, by Major J. Walch.

For some years I suffered severely from a pain and tightness in the stomach, which was also accompanied by a shortness of breath, that prevented me from walking about. I am 84 years of age, and notwithstanding my advanced state of life, these Pills have so relieved me, that I am desirous that others should be made acquainted with their virtues. I am now rendered, by their means, comparatively

active, and can take exercise without inconvenience or pain which I could not do before.
